

## **Bonterra Energy Corp. Announces Expiration of Obsidian Energy Ltd.'s Unsolicited Bid**

CALGARY, AB, March 30, 2021 /CNW/ - Bonterra Energy Corp. ([www.bonterraenergy.com](http://www.bonterraenergy.com)) (TSX: BNE) ("Bonterra" or the "Company") acknowledges Obsidian Energy Ltd.'s ("Obsidian") press release, dated March 29, 2021, which confirms that Obsidian has not extended its hostile bid, and therefore the hostile bid expired as of 5:00 p.m. (Mountain Time) on March 29, 2021.

As of the expiry, the hostile bid was unsuccessful and any Bonterra shares that had been tendered will be promptly returned to the respective Bonterra shareholders. The Company appreciates the ongoing support and feedback received from shareholders through the process. With ongoing efforts to generate strong and sustainable free funds flow, meaningful support from recent government programs and a Board refresh underway, Bonterra believes the Company is in a strong position to pursue profitable development of its high-quality, light oil weighted asset base.

The Company's shares are listed on The Toronto Stock Exchange under the symbol "BNE".

### **Forward Looking Information**

Certain statements contained in this release include statements which contain words such as "anticipate", "could", "should", "expect", "seek", "may", "intend", "likely", "will", "believe" and similar expressions, relating to matters that are not historical facts, and such statements of our beliefs, intentions and expectations about development, results and events which will or may occur in the future, constitute "forward-looking information" within the meaning of applicable Canadian securities legislation and are based on certain assumptions and analysis made by us derived from our experience and perceptions. Forward-looking information in this release includes, but is not limited to: expectations regarding Bonterra's business strategy and outlook; expansion and growth of our business and operations; and other such matters.

All such forward-looking information is based on certain assumptions and analyses made by us in light of our experience and perception of historical trends, current conditions and expected future developments, as well as other factors we believe are appropriate in the circumstances. The risks, uncertainties and assumptions are difficult to predict and may affect operations, and may include, without limitation: risks and uncertainties relating to the satisfaction of all conditions relating to the availability of funding pursuant to government programs; foreign exchange fluctuations; equipment and labour shortages and inflationary costs; general economic conditions; industry conditions; changes in applicable environmental, taxation and other laws and regulations as well as how such laws and regulations are interpreted and enforced; the ability of oil and natural gas companies to raise capital; the effect of weather conditions on operations and facilities; the existence of operating risks; volatility of oil and natural gas prices; oil and gas product supply and demand; risks inherent in the ability to generate sufficient cash flow from operations to meet current and future obligations; increased competition; stock market volatility; opportunities available to or pursued by us; and other factors, many of which are beyond our control.

Actual results, performance or achievements could differ materially from those expressed in, or implied by, this forward-looking information and, accordingly, no assurance can be given that any of the events anticipated by the forward-looking information will transpire or occur, or if any of them do, what benefits will be derived therefrom. Except as required by law, Bonterra disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise. The forward-looking information contained herein is expressly qualified by this cautionary statement.

### **Numerical Amounts**
